

E-Consult Workgroup

2021 Sponsorship Overview

In 2020, E-Consult Workgroup members faced unforeseen challenges to delivering health care in a time of crisis. With this, members collaborated to expand e-consult and offer additional support to safety net providers and patients, expanding e-consult adoption, policy support and reimbursement. In the past year, the E-Consult Workgroup has doubled in size with the support of our sponsors and active members. The Workgroup now consists of over 100 active member organizations, including:

E-Consult Workgroup 2021 Priorities

In 2021, with the support of our newly engaged clinical advisors, the Workgroup will prioritize:

- Measuring and Reporting Improvements in Access to Care
- Engaging Providers and Increasing E-Consult Adoption
- Aligning Provider Incentives to Support E-Consult Sustainability

E-Consult Workgroup Sponsorship

The E-Consult Workgroup looks forward to hosting its annual E-Consult Workshop in Sacramento in November 2021, engaging providers, public and commercial payers, academic researchers and technology innovators. Our 2019 event engaged 60 participants, and our 2020 event grew to 200. As we continue to expand the capacity of this year’s Workshop with the opportunities of both in-person and virtual attendance, we welcome sponsors to support this dynamic event.
