CalAIM PATH Care Coordination Provider List ECM and Community Supports Providers October 2023

Resource Overview

This reference tool offers a comprehensive list of the contracted Enhanced Care Management (ECM) and Community Supports service providers operating in Alameda County through the [CalAIM initiative](#). This statewide Medi-Cal initiative is implemented locally by Medi-Cal managed care plans (MCPs) but with state oversight by the Department of Health Care Services (DHCS).

In Alameda County, the [Alameda Alliance for Health](#) and [Anthem Blue Cross Partnership Plan](#) are the local Medi-Cal MCPs that contract with local providers and service organizations to deliver ECM and Community Supports services. It is important to note that while some service providers contract with both Medi-Cal MCPs, many are only contracted with either the Alameda Alliance or Anthem to deliver services to eligible Medi-Cal members.

The Provider List includes contact information, ECM Populations of Focus served, and Community Supports services offered by each contracted provider in Alameda County.

This resource is intended as a reference tool to support access to and coordination of ECM and Community Supports services for eligible Medi-Cal members in Alameda County. The Provider List can be used to identify contracted providers to connect individuals and families to the ECM and Community Support services they need in a timely manner.

To request additional provider information or suggest updates to the information available in this reference tool, please contact pathinfo@bluepathhealth.com.

The Provider List was developed by BluePath Health through the [CalAIM PATH Collaborative Planning and Implementation \(CPI\) Initiative](#), which supports county and regional collaborative planning efforts for CalAIM implementation. The [Alameda CalAIM PATH Collaborative](#) meets monthly to convene local stakeholders and discuss the rollout of ECM and Community Supports services. BluePath Health, the facilitator of the Alameda CalAIM PATH Collaborative, has also [compiled additional CalAIM resources](#) to support local providers in Alameda County.

We appreciate the support and contributions from the Alameda Alliance, Anthem, and our CalAIM PATH Alameda County CPI partners to develop this resource for the community.

CalAIM PATH Care Coordination Provider List ECM and Community Supports Providers October 2023

Description of Enhanced Care Management

ECM is a statewide Medi-Cal benefit available to qualifying members with complex needs. To access the care they need, these members must often engage several separate delivery systems, including primary and specialty care, dental, mental health, substance use disorder treatment, and long-term services and supports.

Medi-Cal members with complex needs are enrolled in ECM to receive comprehensive care management from a single lead care manager who coordinates all their health and health-related care, including physical, mental, and dental care, and social services. ECM makes it easier for members to get the right care at the right time in the right setting and receive additional services that go beyond the doctor's office or hospital.

The following pages list the ECM providers that are contracted with the Medi-Cal MCPs that operate in Alameda County, the Alameda Alliance and Anthem. The Populations of Focus served by each ECM provider are specified, and providers may serve one or more of the following Populations of Focus (POF):

- Adults, youth/children, and families experiencing homelessness.
- Adults, youth, and children who are at risk for avoidable hospital or emergency department care.
- Adults, youth, and children experiencing serious mental health (SMI) and/or substance use disorder (SUD).
- Adults living in the community and at risk for long-term care institutionalization.
- Adult nursing facility residents transitioning to the community.
- Children and youth enrolled in California Children's Services (CCS) or CCS Whole Child Model with additional needs beyond their CCS condition(s).
- Children and youth involved in child welfare, including foster care.
- Adults and youth who are transitioning from incarceration.
- Pregnant and postpartum individuals; birth equity population of focus (starting in 2024).

Description of Community Supports

Community Supports are services covered by Medi-Cal MCPs to address Medi-Cal members’ health-related social needs to help them live healthier lives and avoid higher, costlier levels of care. Members may receive a Community Supports service if they meet the eligibility criteria and receive service authorization from their MCP. All MCPs are encouraged to offer the following 14 Community Supports that have been approved by DHCS.

DHCS Approved Community Supports	Alameda Alliance	Anthem
Housing Navigation, Tenancy, Deposits	✓	✓
Day Habilitation Programs		✓
Asthma Remediation	✓	✓
Medically Supportive Food / Medically Tailored Meals	✓	✓
Recuperative Care (Medical Respite)	✓	✓

Community Transition Services/Facility Transition to Home	✓ ¹	✓
Home Modifications (Accessibility Adaptations)	✓	✓
Sobering Centers		

¹ indicates services that are currently being piloted and are expected to go live in January 2024

CalAIM PATH Care Coordination Provider List ECM and Community Supports Providers October 2023

Housing Transition Navigation

Members experiencing homelessness or at risk of experiencing homelessness receive help to find, apply for, and secure housing.

Housing Deposits

Members receive assistance with housing security deposits, utilities set-up fees, first and last month's rent, and first month of utilities. Members can also receive funding for medically necessary items like air conditioners, heaters, and hospital beds to ensure their new home is safe for move-in.

Housing Tenancy and Sustaining Services

Members receive support to maintain safe and stable tenancy once housing is secured, such as coordination with landlords to address issues, assistance with the annual housing recertification process, and linkage to community resources to prevent eviction.

Short-Term Post Hospitalization Housing

Members who do not have a residence, and who have high medical or mental health and substance use disorder needs, receive short-term housing for up to six months to continue their recovery. To receive this support, members must also have been discharged from an inpatient clinical setting, residential substance use disorder treatment or recovery facility, residential mental health treatment facility, correctional facility, nursing facility, or recuperative care.

Recuperative Care (Medical Respite)

Members with unstable housing who no longer require hospitalization, but still need to heal from an injury or illness, receive short-term residential care. The residential care includes housing, meals, ongoing monitoring of the member's condition, and other services like coordination of transportation to appointments. Respite Services Short-term relief for caregivers of members. Members may receive caregiver services in their home or in an approved facility on an hourly, daily, or nightly basis as needed.

Day Habilitation Programs

Members who are experiencing homelessness, are at risk of experiencing homelessness, or formerly experienced homelessness, receive mentoring by a trained caregiver on the self-help, social, and adaptive skills needed to live successfully in the community. These skills include the use of public transportation, cooking, cleaning, managing personal finances, dealing with and responding appropriately to governmental agencies and personnel, and developing and maintaining interpersonal relationships. This support can be provided in a member's home or in an out-of-home, non-facility setting.

Nursing Facility Transition/ Diversion to Assisted Living Facilities

CalAIM PATH Care Coordination Provider List ECM and Community Supports Providers October 2023

Members living at home or in a nursing facility are transferred to an assisted living facility to live in their community and avoid institutionalization in a nursing facility, when possible. Assisted living facilities provide services to establish a community facility residence such as support with daily living activities, medication oversight, and 24-hour onsite direct care staff.

Community Transition Services/ Nursing Facility Transition to a Home

Members transitioning from a nursing facility to a private residence where they will be responsible for their own expenses, receive funding for set-up services such as security deposits, set-up fees for utilities, and health-related appliances, such as air conditioners, heaters, or hospital beds.

Personal Care and Homemaker Services

Members who require assistance with Activities of Daily Living or Instrumental Activities of Daily Living receive in home support such as bathing or feeding, meal preparation, grocery shopping, and accompaniment to medical appointments.

Environmental Accessibility Adaptations (Home Modifications)

Members receive physical modifications to their home to ensure their health and safety and allow them to function with greater independence. Home modifications can include ramps and grab-bars, doorway widening for members who use a wheelchair, stair lifts, or making bathrooms wheelchair accessible.

Medically Supportive Food/ Medically Tailored Meals

Members receive deliveries of nutritious, prepared meals and/or healthy produce/groceries to treat their health conditions. Members may also receive behavioral, cooking, and/or nutrition education when paired with the food-based intervention.

Sobering Centers

Members who are found to be publicly intoxicated are provided with a short-term, safe, supportive environment in which to become sober. Sobering centers provide services such as medical triage, a temporary bed, meals, substance use education and counseling, and linkage to other health care services.

Asthma Remediation

Members receive physical modifications to their home to avoid acute asthma episodes due to environmental triggers like mold. Modifications can include filtered vacuums, dehumidifiers, air filters, and ventilation improvements.

Role of Alameda County Office of Homeless Care and Coordination

The [Alameda County Office of Homeless Care and Coordination \(OHCC\)](#) contracts with the Medi-Cal MCPs in Alameda County, the Alameda Alliance and Anthem, to deliver housing-related Community Supports through the OHCC community-based homelessness and housing service providers. As of 2023, OHCC has partnerships with 19 community-based providers, which are listed on page 18. Available services for eligible Medi-Cal members include:

- **Housing Transition Navigation services**, to assist consumers with obtaining housing;
- **Housing Deposits**, to assist with one-time services and modifications necessary to enable a person to establish a basic household; and
- **Housing Tenancy and Sustaining services**, to assist to maintain safe and stable tenancy once housing is secured.

OHCC providers use the [Coordinated Entry System](#) to efficiently and effectively connect people to interventions that will end their homelessness with a coordinated management approach that uses available information to make equity consistent decisions. The Coordinated Entry System includes:

- Points of access to resources for people experiencing homelessness
- Housing Problem Solving
- Assessment
- Prioritization for available resources
- Referral/Matching to Housing/Homelessness Resources
- Grievance processes

For more information about housing and resources for people experiencing homelessness, contact a [Housing Resource Center](#) in your area.

	ALAMEDA COUNTY RECIPE4HEALTH
About	Alameda County’s Recipe4Health initiative (R4H) is a nationally recognized, multisector Food as Medicine model that clinically integrates food-based interventions into healthcare settings to 1) treat, prevent, and reverse chronic conditions; 2) address food and nutrition security and other social determinants of health; 3) improve health and racial equity; 4) build local economic wealth, and 5) improve climate health. R4H prioritizes the equitable sourcing and supply of local “regenerative and organic” food to meet the health centers’ demand for high quality, nutritious food. Patients receive regeneratively and organically grown produce paired with the option for health coaching – all prescribed by their healthcare provider.

	PROJECT OPEN HAND		
About	Project Open Hand’s mission is to improve health outcomes and quality of life by providing nutritious meals to the sick and vulnerable, caring for and educating our community. Every day, we prepare 2,500 nutritious meals and provide 200 bags of healthy groceries to help sustain our clients as they battle serious illnesses, isolation, or the health challenges of aging. We serve San Francisco and Oakland, engaging more than 125 volunteers daily to nourish our community.
